

PUBLIC NOTIFICATION/0040/2022

**ANNOUNCEMENT FOR THE OPENING OF AN INTERNATIONAL SELECTION TENDER PROCEDURE FOR
DOCTORATE HIRING
PURSUANT TO DECREE-LAW NO. 57/ 2016 OF 29 AUGUST**

Internal Reference: Political Philosophy

1. Framework

The Rector of Universidade Católica Portuguesa, Prof. Dr. Isabel Capelo Gil, hereby announces an international selection tender for one vacancy of doctorate principal researcher to perform duties of scientific research, on an exclusivity basis, in the scientific field of Political Philosophy, with special emphasis in questions of applied ethics to topics of artificial intelligence, data and politics. The research activities are to be carried out at the Research Centre of the Institute for Political Studies, integrated at the Institute of Political Studies of the Universidade Católica Portuguesa, in Lisbon, within the framework of the Agreement-Programme of Institutional Support Selection Procedure (articles 17, 19, and 28 of the Scientific Employment Regulation) signed between the Portuguese Foundation for Science and Technology, I.P. (FCT,IP) and the Universidade Católica Portuguesa (UCP).

The main objective of this position will be to promote reflection on the ethical challenges arising from the introduction of digital technologies in major social domains, as well as on the impact of rapid technological transformation on individuals and communities. As such, the research activities to be carried out should include the development of scientific production, the establishment of collaborative contacts in international networks and the organisation and participation in scientific conferences and other knowledge transfer initiatives with international experts in a variety of areas related to ethics, artificial intelligence, data and policy. In order to develop and fulfil these objectives, the hired researcher will coordinate the creation and implementation of an interdisciplinary structure that aggregates all activities related to the project.

2. Applicable legislation

Decree-Law no. 57/2016 of 29 August, amended by Law no. 57/2017 of 19 July, which approved the doctorate hiring regime destined to stimulate scientific and technological employment for all knowledge areas (RJEC), without prejudice to the specific regulations applicable to the Universidade Católica Portuguesa.

3. Workplace

The workplace is located at the Lisbon facilities of the Universidade Católica Portuguesa.

4. Remuneration

Gross monthly remuneration to be paid is 3.644,34€ euros, plus meal, vacation, and Christmas allowances.

5. Admission requirements

Any national, foreign, and stateless candidate who holds a doctoral degree in Philosophy or related scientific fields, and a scientific and professional curriculum whose profile is suited for the activities to be performed, can submit their application. In the event the doctoral degree was awarded by a foreign higher education institution, said degree must comply with the provisions of Portuguese law on the recognition of foreign degrees. For those purposes, the requirements described in **point no. 11** of this notice must be considered.

6. Selection process

Pursuant to article 5 of RJEC, selection is to be made based on the candidates' scientific and curricular career evaluation.

7. Evaluation criteria

Assessment criteria: scientific production and its relevance, participation in scientific projects and congresses, student supervision, scientific dissemination actions, transfer of knowledge, other relevant activities and experiences. The evaluation process includes an interview with the candidates.

The candidates' final classification shall be presented on a scale of 0 to 100. The value is calculated by weighing in each factor as follows, always taking into account that for each item only the activity relevant to the scientific field of the present tender will be considered:

1. Scientific and curricular background (PC)

- a) Scientific production in international journals, with special emphasis in questions of applied ethics to topics of artificial intelligence, data and politics: **50%**
- b) Activities of applied or practice-based research and knowledge extension and dissemination: **20%**
- c) Experience in leading international scientific projects on subjects relevant to the objectives of this announcement: **20%**
- d) Cover and recommendation letters: **10%**
- e) Interview (E).

The candidates ranked in the first three positions will be interviewed (E), in order to clarify aspects related to the results of their research. They will be asked to make a 10-minute presentation (including a PP), in which they demonstrate the contributions to the field of research.

Applicants who are interviewed will be assigned a new classification in addition to the initial one that will be based on the following formula:

Final classification = 90% PC+ 10% E

8. Tender selection panel

Pursuant to article 13 of RJEC, the tender selection panel shall be formed by:

President of the Jury: Prof. Dr. João Carlos Espada

Other members: Prof. Dr. Peter Hanenberg and Prof. Dr. André Azevedo Alves

9. Deliberation

The panel shall deliberate by means of a roll-call vote under the adopted and disclosed selection criteria, with no abstentions allowed. Minutes of panel meetings shall be drafted and shall include a summary of all occurrences of said meeting, as well as of all votes cast by the members and respective reasoning. After application of the selection criteria, the panel shall prepare a sorted list of approved candidates and respective classification. The panel's final decision shall be approved by the Rector, who shall also approve the hiring of the selected candidate. The ranked list of approved candidates will be posted at the Lisbon facilities of Universidade Católica Portuguesa, located at Palma de Cima and will be announced on the website <https://iep.lisboa.ucp.pt/scholarship-calls>. Candidates will be notified by email once this list is made available.

10. Preliminary hearing and final decision deadline

After being notified, all candidates have 10 working days to respond. The panel's final decisions are pronounced within the next 5 working days, after the 10 work-day response period.

11. Application formalization

Applications are formalized by sending the required documents to ci.iep@ucp.pt.

Applications are to be submitted in English.

Applications shall include the following documents:

- a) Curriculum vitae
- b) Doctoral Certificate with date of admission to the degree
- c) A cover letter specifying the priorities and strategies for research in the areas of ethics, artificial intelligence, data and politics
- d) Two recommendations letters from personalities of recognized scientific merit in the areas of ethics, artificial intelligence, data and politics

If the Doctoral Degree has been awarded by a non-Portuguese higher education institution it must comply with the provisions of the Portuguese legislation on the recognition of foreign degrees, regulated by Decree-Law no. 66/2018 of August 16th. The signature of the contract is conditional on the presentation of the formal document.

Applicants are advised to check the website of the Directorate-General for Higher Education (DGES) for further information: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

12. Application deadline

Candidates may submit their applications in the terms mentioned in the previous point, from July 4th, 2022, until July 15th, 2022 (until 5 pm Lisbon time).

Candidates who do not comply with the application's prerequisites or who fail to prove the eligibility requirements imposed by this tender shall be excluded. In case of doubt, the panel is entitled to request that candidates present further documentation supporting their statements. Failure to submit clarifications, information or documents that are requested, within 5 working days, determines the dismissal of the application.

False statements provided by the candidates are punishable by law.

13. Privacy policy

Universidade Católica Portuguesa is the controller responsible for the processing of Personal Data in accordance with Regulation (EU) 2016/679 – General Regulation on Data Protection.

The personal data submitted within the scope of this tender procedure is processed within the framework of said tender procedure only and will be treated by Universidade Católica Portuguesa with the purpose of verifying the fulfillment, by the candidates, of the assumptions established in the applicable legislation for their contracting.
