<sup>1</sup> A FUC contém os campos habituais nos programas das Unidades Curriculares mas integra outros campos menos usuais e que assumem neste caso uma particular relevância. Assim **chama-se a atenção para o especial cuidado que deve ser ponto no preenchimento dos campos 7 e 9, os quais são em grande medida aferidores da consistência da UC e do seu programa.**

<sup>2</sup> Na impossibilidade de integrar toda a bibliografia deve procurar-se um equilíbrio entre obras de referência, abrangência do programa e dos seus módulos e atualidade da bibliografia (o que não exclui a inclusão de clássicos em função do programa e natureza da UC).
